

Your ideal choice for light daily cleaning

CA 330 are quick and effective, this cleverly designed multifunction scrubber dryer make it possible to scrub and dry all surfaces including profile floor and non-slip safety floor, which are very difficult to clean with traditional machines.

CA330 are the only compact machines capable of combining performance, manoeuvrability, silence and high cleaning quality. Cleaning of tiled, ceramic and dimpled floors has never been easier. An efficient and specific recovery system (no vac motor) makes these machines ideally suited for cleaning in noise sensitive areas such as hotels, hospitals and offices. The compact design and high manoeuvrability allow the CA 330 to operate with equal efficiency in congested areas such as classrooms, offices, stores, kitchens, changing-rooms etc.

A compact multi-purpose mini scrubber dryer ideal for light daily cleaning

- Only compact machines to combine cleaning performance with all surface versatility, including carpets and escalator
- Exceptional brush pressure, thanks to twin scrubbing brushes, specially dedicated for ruff surfaces
- All tanks are accessible and removable for easy emptying, solution change and cleaning
- Very low noise level due unique recovery system for dirty water, no vac motor needed
