

Compact and handy wet & dry vacuum cleaner

The Nilfisk VL200 is a compact and easy-to-use wet and dry vacuum cleaner with Push & Clean filter cleaning system and convenient accessory storage. A mobile machine available also with a stainless steel container for the extra tough environments.

For small wet and dry cleaning applications the VL200 wet & dry vacuum cleaner is the perfect choice. You can choose between a 20 or 30 liter machine with nice and handy features. Both variants have the built in semi-automatic filter cleaning system Push & Clean for quick and easy cleaning of the filter, helping you maintaining the high suction power on the machine.

VL200 is ideally for smaller cleaning jobs in hotels, contract cleaners and education as well as public buildings, manufacturing and industrial applications.

- Push & Clean filter cleaning technology
- Washable PET fleece filter
- Certified HEPA filter available as an accessory
- MultiFit accessory system with telescopic tube
- Convenient accessory and cable storage
- Exhaust air blow function
- Stainless steel container option
